\$3.8 Million In Kind Donations	18,786 Women Assisted in Their New Beginnings
"Supporting 55 Women's Shelters"	

Happy Holidays!

Thank you for another extraordinary year creating baskets to assist women in their new beginnings.

Your continued generous support of the Basketeteers allowed us to provide 1,770 women across the country with a beautifully wrapped basket filled with some of the niceties and necessities of daily living. Chapter Organizers, in 16 cities, inspired corporate donors, individuals, students, church groups, book clubs, volunteers and sponsors to support women in 55 shelters during the 2018 campaign.

Those who can, do. Those who can do more, volunteer.

No one agency, person or institution can solve the issue of gender-based violence. However, together we have provided support to survivors of domestic violence at a critical point in their transition back into the community. It is our hope that the contents of each new beginning basket not only help recipients start over, but serves to let the women know that they are supported by their community and have alternatives to returning to an abusive relationship.

In the last 19 years, The Basketeteers have assisted 18,786 women in their new beginning and raised approximately \$3.8 Million In Kind Donations. I am grateful for all of your support and encouragement to continue forward.

Thank you for your continued dedication to the Basketeteers.
