Launching the 2017 Campaign

We hope that you are all having a great summer. It's that time of year again..time to launch the 2017 campaign to assist women as they transition out of shelters during the holidays.

Last year, with your generous support, 1586 courageous women received a new beginning basket. We hope to help more women this year.

Knowing how many baskets are being made well in advance of the drop off date helps us to allocate baskets to the shelters we support and it also gives us the opportunity to plan for the drop off date.

To confirm you are participating again this year, **please click yes below** or email cstoneburgh@bellnet.ca to let us know. Please include a note with your details and how many baskets you and/or your group are donating in 2017.
