April showers bring May flowers!

The month of May for me is about new growth on the trees and in our communities. The feeling of starting something new and the celebration of our mothers.

My mom appreciated the support we provided women in the shelters which included moms, daughters, sisters and friends. So this year, I will honour and remember my mom with a basket donation in her memory. You might consider doing the same for your special Mom.

How did you find the energy, Mom
To do all the things you did
To be teacher, nurse and counselor
To me, when I was a kid.

How did you do it all, Mom,
Be a chauffeur, cook and friend,
Yet find time to be a playmate,
I just can't comprehend.

I see now it was love, Mom
That made you come whenever I'd
call,
Your inexhaustible love, Mom
And I thank you for it all.
